

# ELT (King Size demo version)

## Wilco

I, I should've been listening  
To every word you said  
Oh, what have I been missing  
Wishing, wishing that you were dead I didn't mean to be so disturbing  
So far from home  
Oh, what have I been learning  
By being all alone Every little thing  
Every little thing  
Every little thing  
(Is gonna) Just tears you apart Every little thing  
Every little thing  
Every little thing  
(Is gonna) Just tears you apart When, when we were younger  
Sleep while I'm awake  
I was trying to keep the door locked  
I realize that's a mistake Every little thing  
Every little thing  
Every little thing  
Is gonna tear you apart Every little thing  
Every little thing  
Every little thing  
Is gonna tear you apart Every little thing that you do  
Seems so much better than I could do  
Oh, I should've been listening  
To every word you said Every little thing  
Every little thing  
Every little thing  
Is gonna tear you apart Every little thing  
Every little thing  
Every little thing  
Is gonna tear you apart (it's gonna) Every little thing (it's gonna)  
Every little thing (it's gonna)  
Every little thing (it's gonna)  
Is gonna tear you apart Every little thing (it's gonna)  
Every little thing (it's gonna)  
Every little thing (it's gonna)  
Is gonna tear you apart It's gonna  
It's gonna  
It's gonna tear you apart It's gonna

It's gonna  
It's gonna tear you apart
