

# Take Me Higher

[Lincoln Brewster](#)

Take not Your Spirit from me  
Lord, lead me to Your peace  
For my one desire is to be with You  
Come cleanse my life and make me pure  
Won't you wrap me up in Your arms and Take me higher and draw me closer  
And pull me deeper than I've ever been Hide not Your face from me  
Lord, set my spirit free  
For my one desire is to be with You  
Come cleanse my life and make me pure  
Won't You wrap me up in Your arms and Take me higher and draw me closer  
And pull me deeper than I've ever been  
Take me higher and draw me closer  
And pull me deeper than I've ever been Take me higher, won't You draw me closer  
Take me higher than I've ever been  
Next to You is where I wanna be  
Take me higher than I've ever been  
Take not Your spirit from me, oh no, oh no, take me  
Take me higher than I've ever been before Take me higher and draw me closer  
And pull me deeper than I've ever been  
Take, take, take me higher and draw me deeper  
And pull me closer than I've ever been Take me higher and draw me closer  
And pull me deeper than I've ever been
