He Made Them All

J.C. Squad

Verse 1

When I think about,
all the lord has done for me,
I remember when I was a young girl,
Things just ain't the way they used to be,
I recall the seasons,
When I didn't know a thing,
And now I realized his mercy,
And that's why,
I see

Chorus

Did you ever wonder how the seasons change,
Or how the flowers grow,
Did you ever take time to watch the ocean,
Or feel the wind blow,
Do you wonder how the sun arises,
Or how the rain falls,
But now I know,
That the lord,
He made them all *3
Jesus my lord,
He made them all,
Ooooooooooooooo. . .
He made them all
