

Whisper

A Fine Frenzy

Running the race like a mouse in a cage
Getting nowhere but Im trying
Forging ahead but Im stuck in the bed
That I made so Im lyingBut if you keep real close
Yeah, you stay real close
I will reach youI'm down to a whisper
In a daydream on a hill
Shut down to a whisper
Can you hear me still?Eager to please, trying to be what they need
But I'm so very tired
And I've stopped trying to find any peace in my mind
Because it tangles the wiresBut if you keep real close
Yeah, you stay real close
I will reach youI'm down to a whisper
In a daydream on a hill
Shut down to a whisper
Can you hear me?
Can you hear me still?The sound tires on my lips
To fade away into forgettingI'm down to a whisper
In a daydream on a hill
Shut down to a whisper
Can you hear me?
Can you hear me?I'm down to a whisper
In a daydream on a hill
Shut down to a whisper
Can you hear me?
Can you hear me still?
