Whisper

A Fine Frenzy

Running the race like a mouse in a cage Getting nowhere but Im trying Forging ahead but Im stuck in the bed That I made so Im lyingBut if you keep real close Yeah, you stay real close I will reach youI'm down to a whisper In a daydream on a hill Shut down to a whisper Can you hear me still? Eager to please, trying to be what they need But I'm so very tired And I've stopped trying to find any peace in my mind Because it tangles the wiresBut if you keep real close Yeah, you stay real close I will reach youI'm down to a whisper In a daydream on a hill Shut down to a whisper Can you hear me? Can you hear me still? The sound tires on my lips To fade away into forgettingI'm down to a whisper In a daydream on a hill Shut down to a whisper Can you hear me? Can you hear me?I'm down to a whisper In a daydream on a hill Shut down to a whisper Can you hear me?
