Deggial

Therion

One eye one brow so we stand
Letters of cefer is in his mark the name of DeggialBear the sign of DeggialHe's a son of the desert with a lore of disbelief
He say God is dead today
And that man will be born out of his placeSorath the Sun in the dark
Cefer he's before God blasphemy of Deggial
Deggial tell the truth that man is but a beast
And for the reason that man is more than GodHe's a son of the desert with a lore of disbelief
He say God is dead today
And that man will be born out of his placeHe's a son of the desert with a lore of disbelief
He say God is dead today
And that man will be born out of his placeDeggial unbeliever of the sons of God disbeliever of the book
Deggial unbeliever of the sons of God disbeliever you are Deggial
Unbeliever of the sons of God disbeliever of the bookDeggial unbeliever of the sons of God disbeliever of the book
Deggial unbeliever of the sons of God disbeliever of the book
