Don't Touch That

Group X

Don't touch that
Don't touch that
Can't have it
Hands offSchmy schmy schmy schmy
Music did me so good
Made me say Oh my God
Thank you for giving me
A two hip rhyme and two hop feet
It feel good and I dont know what
But that's my hot dog and you can't touch
So get your hands off and you know what
That's my hot dog, can't touchCan't touch that
Hands off
Get away...bitchEvery time you see me, Hashmeer is in trouble
I like to chew gum and I like to blow a bubble
One time I blew a bubble so big
Inside of the bubble was a little kid
Little kid come out and he says to me "Schwat?"
I said get your hands off my hot dog
That is something can't touchDon't touch that
Can't have it
Hands off
Put it downOh oh oh oh oh oh oh oh
Go Hashmeer go, go Hashmeer go
Go Hashmeer go, go Hashmeer go
Oh oh oh oh oh oh oh oh
Go Hashmeer go, go Hashmeer go
Go Hashmeer go, go Hash-STOP!
Hashmeer timeSay whatWhen I get tired I like to take a nap
And you say Group X steals a beat and that's bunch of crap
Why would we ever stop doing that cause
'Cause Puff Daddy do it except he cannot rap
Been around the world from Chicago to Yew Nork
It's Hashmeer go, Hashmeer go, Hashmeer go, Hashmeer
And the rest can go away, schwhatDon't touch that
Can't have it
I bomb your house, idiot
Go to town
Oh oh oh oh oh oh oh oh

Go Hashmeer go, go Hashmeer go
Go Hashmeer go, go Hashmeer go
Oh oh oh oh oh oh oh oh
Go Hashmeer go, go Hashmeer go
Go Hash-STOP!Idiot
