So Long

Smiling Horse

So long my mind is ready to see you
Come over the bridge and tell me
How was it possible to leave me?
Oh yeah to leave me
Why did you do it to me

So wrong do you realized that it was so wrong
You didnâ€™t tell me that you miss me
So long I waited here to see you
Oh yeah to see you
Why have you really don it

Weâ€™ve been together every night
We share are smiles and shown our light
But now you look so frightened
Whereâ€™s your smile
Fooling with the justice but you win the trail

So wrong but I say it to you now so long
You said it to me so long ago
Why didnâ€™t you stay here and heal me and heal me
Why did you really leave me?

So your leaving that how it seems to be
Taking our love so there is no more you and me
Okay now you leave me
Also take this feeling
I like to say for so long

So long
