Everytime I Go To Sleep

Holly Miranda

Every time I go to sleep
I kick and scream and dream a little bit
Violently awakening to what's real is really bullshitEvery time I go to sleep
I kick and scream and dream a little bit
Violently awakening to what's real is really bullshitAnd there's no light for meEvery time I go to sleep
I kick and scream and dream a little bit
Violently awakening to what's real is really bullshitEvery time I go to sleep
I kick and scream and dream a little bit
Violently awakening to what's real is really bullshitAnd there's no time waitingAll this space
We stretch to bend, to pull
To keep our face
On the other side of the worldAnd there's no going back
And there's only change, uhAll my life
Has been on the edge of falling down
One cool night
They're gonna put my heart in the groundAnd there's no going back
And there's only change, uh
