

Far, Far Away

[Kristin Cotts](#)

Far, far away from those city lights
Might be shining on you tonight
Far, far away from you
On the dark side of the moon I long to hold you in my arms and sway
Kiss and ride on the CTA
I need to see you tonight and those bright lights
Oh, I know it's right, deep in my heart I'll know it's right
By the bed, by the light that you read by
By the time that I get home to say "Good night"
I need to see you again on the dark side, my friend
On the dark side
