Capsized

Samian

I hate you still, yet I imitate you
You're in my dreams, pushing me around
I move my mouth, I watch her cry
It's killing me and you wonder whyAlways said, "I wouldn't be that way"
I always said, "I wouldn't be that way"
Capsized, cut down to size
Capsized, like colors bleedNow they're all the same to me
I feel his hand and I know
I'm damned, a puppet on a string
And the man behind the screenThis is the last time I treat you like that
This is the last time I act like a man
This is the last time I drink myself to sleep
This is the last time I act before I think
Oh, but the things kids say
