Amy

Matthew Scott

Amy

even when the light is faded
even when my heart is breaking
Iâ€™m hanging on
Iâ€™m hanging on
even when my hope is faded
even when i just canâ€™t take it
Iâ€™m hanging on

oh and I,my feet are off the ground
but Iâ€™m looking up some how
hold me now

lately Iâ€™ve been tryna call you amy
while youre lying there blowing them smoke rings in the dark
Yeah Thereâ€™s times I mustâ€™ve felt you slip right through my hands
But Ooh but tell me are you lost or are you crazy

Remember to smile when you get up
And never let â€˜em take your freedom
I know you wonâ€™t
I know you wonâ€™t
Floating out here ainâ€™t easy
The show never seemed so far away
So far away

Oh and I, my feet are off the ground
And it all comes back around
Hold me now

lately Iâ€™ve been tryna call you amy
while you lying there blowing them smoke rings in the dark
Yeah Thereâ€™s times I mustâ€™ve felt you slip right through my hands
oh but tell me are you lost or are you crazy
well tell me

Solo

well lately Iâ€™ve been tryna call you amy

while you lying there blowing them smoke rings in the dark
Yeah Thereâ€™s times I mustâ€™ve felt you slip right through my hands
oh but tell me
tell me

lately Iâ€™ve been tryna call you amy
while you lying there blowing them smoke rings in the dark
Yeah Thereâ€™s times I mustâ€™ve felt you slip right through my hands
oh but tell me are you lost or are you crazy

well lately Iâ€™ve been tryna call ya
Iâ€™ve been tryna call ya
