Blame (Mike Williams Future Remix)

Calvin Harris

Can't be sleepin'
Keep on wakin'
Is that the woman next to me?
Guilt is burning
Inside I'm hurting
This ain't a feeling I can't keepSo blame it on the night
Don't blame it on me
Don't blame it on me
Blame it on the night
Don't blame it on me
Don't blame it on meBlame it on the night
Don't blame it on me
Don't blame it on me
So blame it on the night
Don't blame it on me
Don't blame it on me
Don't blame it on meCan't you see it, I was manipulated by it
Too little to the dawn
I had no choice in this
I was a friend she missed
She needed me to talkSo blame it on the night
Don't blame it on me
Don't blame it on me
Blame it on the night
Don't blame it on me
Don't blame it on meBlame it on the night
Don't blame it on me
Don't blame it on me
So blame it on the night
Don't blame it on me
Don't blame it on me
Don't blame it on meOh I'm so sorry, so sorry baby
Yeah
Ooh I got defense (oh I promise I'll be better this time, I will be better this time)
Oh I promise (I'll be better this time, I will be better this time)Don't blame it on me
Don't blame it on me
