

Between a Man and a Woman

Flogging Molly

Between a man and a woman
Life begins again
Between love and confusion
Lies only pain Take my world, feed my soul
Shake my prayer, don't ever let go
Give me the sun, the moon above
The stars should fall, the Heaven knows Between a man and a woman
It's everything or nothing at all
Everything or nothing at all Is there a rhyme or a reason
They just ain't the same
You tell me I'll half crazy
But you're real sane Look at me on your mirror
Staring at your face
In love with my own reflection
Or in need of a change Take my world, feed my soul
Shake my prayer, don't ever let go
Give me the sun, the moon above
The stars should fall, the Heaven knows Between a man and a woman
It's everything or nothing at all
Everything or nothing at all
Everything or nothing at all She said, "Love me like you did
You did before"
She said, "Love me like you did
You did once more" Between a man and a woman
It's everything or nothing at all
Everything or nothing at all Take my world, feed my soul
Shake my prayer, don't ever let go
Give me the sun, the moon above
The stars should fall, the Heaven knows Take my world, feed my soul
Shake my prayer, don't ever let go
Give me the sun, the moon above
The stars should fall, the Heaven knows Between a man and a woman
It's everything or nothing at all
Everything or nothing at all
Everything or nothing at all
Everything or nothing at all
Everything or nothing at all
