

Birthday Song (feat. Kanye West)

2 Chainz

[Intro: 2 Chainz]

Yeah

Birthday, it's your birthday
If I die bury me inside that Louie store

[Hook: 2 Chainz]

They ask me what I do and who I do it for
And how I come up with this shit up in the studio
All I want for my birthday is a big booty girl
All I want for my birthday is a big booty girl
When I die, bury me inside the Gucci store
When I die, bury me inside the Louie store
All I want for my birthday is a big booty girl
All I want for my birthday is a big booty girl

[Verse 1: 2 Chainz]

She got a big booty so I call her Big Booty
Srrr Srrr, Wrists moving, cookin' to it
I'm in the kitchen, yams everywhere
Just made a jugg I got bands everywhere
You the realest nigga breathin' if I hold my breath
Referee, with the whistle, hold his tech
Extendo clip, extendo roll
When your girl leave me she need a hair salon
Hair weave killer, goin' on a trapathon
See I done have more bars than Pakistan
bomb, bomb, and a bomb
She ?, I'm ballin' you in will call
When I die, bury me inside the jewelry store
When I die, bury me inside the Truey store
True to my religion, true everything I'm too different
So when I die, bury me next to 2 bitches

[Hook]

They ask me what I do and who I do it for
And how I come up with this shit up in the studio
All I want for my birthday is a big booty girl
All I want for my birthday is a big booty girl
When I die, bury me inside the Gucci store

When I die, bury me inside the Louie store
All I want for my birthday is a big booty girl
All I want for my birthday is a big booty girl

[Verse 2: Kanye West]

Ah, Yeezy Yeezy how you doing huh?
It's my birthday, I deserve to be greedy huh?
She holding out, she ain't givin' to the needy huh?
You go downstairs and fall asleep with the T.V on
Ya'll been together ten years, you deserve a menaj
Specially if you put that BMW in the garage
Specially if you paid a couple payments on her mamma crib
Weren't you at niece's graduation? Man, I hate those kids
Last birthday, she got you a new sweater
Put it on, give her a kiss, and tell her, "Do better"
She said, "How 'bout I get you jewelry from the Weston?"
How 'bout she hit the West End and get her best friend?
I'm jokin', I'm just serious, I asked her
Don't be actin' like no actress, if we preachin' then we practice
Don't be reachin', don't be touchin' shit
We in Kanye West's benz, cause I will turn you back to a pedestrian

[Hook]

They ask me what I do and who I do it for
And how I come up with this shit up in the studio
All I want for my birthday is a big booty girl
All I want for my birthday is a big booty girl
When I die, bury me inside the Gucci store
When I die, bury me inside the Louie store
All I want for my birthday is a big booty girl
All I want for my birthday is a big booty girl

[Verse 3: 2 Chainz (Kanye West)]

It's your birthday, it's your birthday
Bad bitches contest, you in first place
You in first place, you in first place
Bad bitches contest, you in first place
I show up with a check to your work place
(Then hand the valet the keys to the Mercy)
Tell the DJ play your song, this shit come on
(What I'm seein' from the back I can't front on)
They ask me what I do and who I do it for
When I die, bury me inside the booty club
Get it good, get it good, get it get it good

I might switch it up and get you good

[Hook]

They ask me what I do and who I do it for
And how I come up with this shit up in the studio
All I want for my birthday is a big booty girl
All I want for my birthday is a big booty girl
When I die, bury me inside the Gucci store
When I die, bury me inside the Louie store
All I want for my birthday is a big booty girl
All I want for my birthday is a big booty girl

[Outro: 2 Chainz (Kanye West)]

Deuce and Ye
We like Snoop and Dre
And this your birthday, baby?
You deserve a coupe today
(You in first place, you in first place)
(Bad bitches contest you in first place!)
