

# Honeymoon Avenue

VA Ariana Grande & MIKA, Ariana Grande & Nathan Sy

I looked in the rearview mirror and  
It seemed to make a lot more sense  
Than what I see ahead of us, ahead of us  
I'm ready to make that turn  
Before we both crash and burn  
Cause I can be the death of us, the death of us, baby  
You know how to drive in rain  
You decided not to make a change  
Stuck in the same old lane  
Going the wrong way home  
I feel like my heart is stuck  
In bumper to bumper  
Traffic, I'm under pressure  
Cause I can't have you the way that I want  
Let's just go back to the way it was  
When we were on Honeymoon Avenue  
Honeymoon Avenue  
Baby, Coastin' like crazy  
Can we get back to the way it was  
Hey, What happened to the butterfly  
Guess fading kinda fast stopped time  
And my heart is at a yellow light, a yellow light  
Hey, right when I think that we found it  
Well that's when we start turning around  
You're saying baby don't worry  
But we're still going the wrong way baby  
You know how to drive in rain  
You decided not to make a change  
Stuck in the same old lane  
Going the wrong way home  
  
I feel like my heart is stuck  
In bumper to bumper  
Traffic, I'm under pressure  
Cause I can't have you the way that I want  
Let's just go back to the way it was  
When we were on Honeymoon Avenue  
Honeymoon Avenue  
Baby, Coastin' like crazy

Can we get back to the way it was  
They say only fools fall in love  
Rumors they've been talking about us  
Sometimes I feel like  
I've been here before  
I could be wrong, but I know i'm right  
Think i'm in love  
But we continue to fight  
Honey I know  
We can find our way home  
I feel like my heart is stuck  
In bumper to bumper  
Traffic, I'm under pressure  
Cause I can't have you the way that I want  
Let's just go back to the way it was  
When we were on Honeymoon Avenue  
Honeymoon Avenue  
Baby, Coastin' like crazy  
Can we get back to the way it was  
When we were on Honeymoon Avenue  
Honeymoon Avenue  
Baby, Coastin' like crazy  
Can we get back to the way it was
