## Bluejuice

Iâ€™ve got this shitty feeling  
I donâ€™t know what to do with myself  
Are you really well meaning  
Are you concealing something else?  
A feel us  
Cause you do it you do it all right  
The way that you find yourself at the end of the night  
Because you do it you do it you do it ok

Sooner or later youâ€™re gonna find yourself â€  
SOS sense of hope  
No one saves you from yourself  
SOS rescue me  
Iâ€™m not the man I want to be

Iâ€™ve got a lot of people telling me itâ€™s easy  
Iâ€™ve got a lot of people telling me  
Iâ€™m all right, Iâ€™m all right (repeat)  
But Iâ€™m not all right  
I see a lot of people talk, talk, talking  
Theyâ€™re gonna talk that way forever  
But itâ€™s alright  
Itâ€™s alright (repeat)

Because you do it you do it you do it alright  
The way that you find yourself at the end of the night  
Because you do it you do it you do ok

Sooner or later youâ€™re gonna find yourself â€  
SOS sense of hope  
No one saves you from yourself  
SOS rescue me  
Iâ€™m not the man I want to be  
X 2
