

# ...The Day

## Pray for the Soul of Betty

Why don't you pick today to be the day  
That you decide for the first time not to lie  
The adults are dead  
Overfed and programmed  
Thoughts that fill your head  
Are the world's eye  
You can't let it go  
And if you can't find your way to a better world  
Set your will inside  
All the answers  
There within your mind  
I've been to the ends of the earth and  
I've seen what it means to be dead end  
This land is the best for the best man  
Rise up, pick your line, end distraction  
Why don't you pick today to be the day  
That you decide for the first time this is your life  
You can't let it go  
And if you can't find your way to a better  
world  
Set your will inside  
All the answers  
There within your mind  
I've seen what it takes to be free  
Man, be bold, let go of the railing  
These things can be had with a strong hand  
Take what you want, it's yours, you can't let it go  
It's time
