

# Love Is Alright Tonite

[Rick Springfield](#)

I'm picking up my baby tonight  
Though her daddy's makin' troubles it'll be alright  
I'm working hard, I don't know why  
I'm like a working class dog and I just get by

Chorus:

Tonite I'm crawling out from in it, and though we're living on a brink  
Second by second by minute by minute  
Love is alright tonite, we're gonna be alright  
Love is alright, love is alright tonite  
Everyone's saying the sky's gonna fall  
Don't know where it's gonna stop if it stops at all  
I know the world's going crazy alright  
I hope it holds together for one more night

chorus

Don't worry daddy, I'll have her home at a respectable hour  
Go to sleep, daddy, you won't think about tonight  
With the night comes the feeling that I've got this incredible power  
Gonna love her, daddy, she'll be feeling it tonite, alright  
It's gonna be alright, it's gonna be alright, it's gonna be alright  
Love is alright tonite and baby, we're gonna be alright  
Love is alright, love is alright tonite
