

Trouble (Fear Of Tigers Remix)

Neon Jungle

I don't look for trouble
But trouble looks for me
And it's been waiting around corners
Since I was seventeen
They say "Here comes a hurricane
Trouble is her middle name!"
But I don't look for trouble
Yeah trouble looks for me
Hey hey! I just want to live a quiet life
I'll make an excellent wife
Man I swear I really try
But some boys they just can't eat it whole
Trouble is my name you know
(Trouble is my name you know) I don't look for trouble
But trouble looks for me
And it's been waiting around corners
Since I was seventeen
They say "Here comes a hurricane
Trouble is her middle name!"
But I don't look for trouble
Yeah trouble looks for me
Hey hey! Hey!
Hey hey!
Hey!
Hey hey! I don't look for trouble
But trouble looks for me
And it's been waiting around corners
Since I was seventeen
They say that you
Got so many sides
I'm a Gemini
But I don't look for trouble
Trouble looks for me Lights up let's have a toke
Pour more whiskey in my Coke
Never been one of the herd
Flipping everyone the bird
People say that I am heartless
I've just learned to use my heart less
I go hard 'cause I'm the hardest

And we ain't even started yet!Hey!

Hey hey!

Hey!

Hey hey!

Hey!

Hey hey!

Hey!

Hey hey!

Trouble!I don't look for trouble

But trouble looks for me

And it's been waiting around corners

Since I was seventeen

They say "Here comes a hurricane

Trouble is her middle name!"

But I don't look for trouble

Yeah trouble looks for me

Hey hey!Hey!

Hey hey!

Hey!

Hey hey!

Hey!

Hey hey!

Hey!

Hey hey!Trouble!
