Please

Lamb

It's two in the morning
I'm calling your name
Your voice on the line is
So far awayAnd my heart reaches out there
And finds you gone
You walk a path lonely
But you're never aloneAnd I'm begging you, please
Please, let me in
Please, please
Let me inI know there are times when
In ashes you lie
Each one has a shadow
We can't denyBut there in your darkness
Living your pain
Wanna wrap you in love, babe
Again and againI'm begging you, please
Please, let me in
Please, please
Let me inListen my fiery one
Gonna make it on your own
Look at what we have done to healPlease, please
Let me in
Please, please
Let me inI'm begging you
I'm begging you
I'm begging you
Please, please, please
