

# Dirty Man

Joss Stone

You're a dirty, dirty man  
And you gotta dirty mind  
You're a dirty, dirty man  
You and that other woman, you're 2 of a kind  
But you forgot 1 thing baby when you were doing me wrong  
That I'm a good house keeper  
I'm gonna take my broom and sweep  
All of the dirt out on the street You're a dirty, dirty man  
Oh in so many, so many dirty ways  
You're a dirty, dirty man  
And you've been hiding your little dirt all over this hip place  
I know you have  
Oh here's my chance baby to throw some mud in your face Cause I'm a good house keeper  
I'm gonna take my broom and sweep  
All of the dirt, yes I am, out on the street Oh, I'm cleaning out my whole house  
Fast as I can  
Its time to make everything speak and span You're a dirty, ooh you're a dirty man  
You do me dirty for so many years, yes you did  
You're a dirty, dirty man, yes you are  
And I'm tired of you and your woman and your dog too  
You're a dirty man  
You're a dirty man  
Now get outta my house  
Don't you never, never, never come back again  
Don't you never  
You're a dirty, dirty man And I'm done with your dirty ways
