

Glow

Britt Nicole

 Illuminating lights under my skin
 Radiation so intoxicating burning within
 Feel the heat slowly rising
 The beat thats hypnotizing
A wonder can you feel it Fire thats so contagious
 Its taking over me
 And you cant stop it Oh, oh
 Turn the lights down so we can
 Glow, glow
 Watch us come alive
 Were gonna
 Show you something real
 Like a city on a hill
 Oh, oh
Were gonna glow They see us coming from miles away
 Theres no hiding, no denying,
 cause were not ashamed
 With our hands up in the air
 Boys and girls they start to stare
Its a wonder, can you feel it We will not be silent
 Wont hide it
 The time is now
 And you cant stop it Oh, oh, here we go
 Welcome to the show
 Lights shining, so blinding
 From our head to our toes
 When this room blacks out
 You know we will stand out
 So come on, oh
Were gonna glow! They see us coming from miles away
 Theres no hiding, no denying,
 cause were not ashamed
 With our hands up in the air
 Boys and girls they start to stare
Its a wonder, can you feel it Oh, oh here we go
 Like a shooting star
Well l-l-l-light up your heart They see us coming from miles away
 Theres no hiding, no denying,
 cause were not ashamed

With our hands up in the air
Boys and girls they start to stare
Its a wonder, can you feel it
