## Glow

## **Britt Nicole**

Illuminating lights under my skin
Radiation so intoxicating burning within
Feel the heat slowly rising
The beat thats hypnotizing
A wonder can you feel itFire thats so contagious
Its taking over me
And you cant stop itOh, oh
Turn the lights down so we can
Glow, glow
Watch us come alive

Were gonna

Show you something real Like a city on a hill

Oh, oh

Were gonna glowThey see us coming from miles away
Theres no hiding, no denying,
cause were not ashamed
With our hands up in the air

Boys and girls they start to stare

Its a wonder, can you feel itWe will not be silent

Wont hide it

The time is now

And you cant stop itOh, oh, here we go

Welcome to the show

Lights shining, so blinding

From our head to our toes

When this room blacks out

You know we will stand out

So come on, oh

Were gonna glow! They see us coming from miles away

Theres no hiding, no denying,

cause were not ashamed

With our hands up in the air

Boys and girls they start to stare

Its a wonder, can you feel itOh, oh here we go

Like a shooting star

Well 1-1-light up your heartThey see us coming from miles away

Theres no hiding, no denying,

cause were not ashamed

With our hands up in the air Boys and girls they start to stare Its a wonder, can you feel it
