

This Is the Day

Brian Courtney Wilson

(this is a celebration!

these songs up top were me meant to be easy so we could sing them together.
psalms 118 says this is the day that the lord has made, let us rejoice and be glad in it.

do you have joy?!

let me hear you!

oh god, yeah.) this is the day that the lord has made.

whatever happens i will give you praise.

you brought me out of darkness and you are with me all the way, hey hey this is the day!

a brand new day hey hey.

this is the day that the lord has made.

yall got it? (come on clap your hands like this.

help me sing it!)

this is the day that the lord has made.

whatever happens i will give you praise.

you brought me out of darkness and you are with me all the way, hey (hey) this is the day!

a brand new day hey hey.

this is the day that the lord has made.

i will rejoice.

i will rejoice.

god gave new mercy so ive made my choice to live for him and bless his name.

this is the day!

a brand new day hey hey.

this is the day that the lord has made.

i will rejoice.

i will rejoice.

god gave new mercy so ive made my choice to live for him and bless his name.

this is the day!

a brand new day hey hey.

this is the day that the lord has made.

every second, every minute, every hour that im in it i will always remember this is the day that the lord has made.

every second, every minute, every hour that im in it i will always remember this is the day that the lord has made.

every second, every minute, every hour that im in it i will always remember this is the day that the lord has made. (and theres) joy overflowing, (and theres) peace in knowing no matter what might come my way, this is the day that the lord has made. (and theres) joy overflowing, (and theres) peace in knowing no matter what might come my way, this is the day that the lord has made.

this is the day.

this is the day.

no matter what might come my way, this is the day that the lord has made.
 this is the day.
 this is the day.
no matter what might come my way, this is the day that the lord has made.
 this is the day!
 a brand new day hey hey.
 this is the day that the lord has made.
 this is the day.
 god gave us the victory!
 yeah yeah!
