

Cocaine and Toupees

Mindless Self Indulgence

you know it - you know that
i got the boom with the bit and you babies gonna flip - yo yo yo
you know it - you know that
i got the balls in the sack and the crackers in my crack - yo yo yo
you know it - you know that
because it's on - yo it's on motherfucker
oh it's on - yo it's on motherfucker
oh it's on - yo it's on motherfucker
with that cocaine
balls and the fresh and the babies in my crack - yo yo yo
i've been frank enough and in the way i have returned it to you
my got me right where i want
my got me very very hot because it's
on - oh it's on motherfucker
yo it's on - oh it's on motherfucker
yes it's on - oh it's on motherfucker
with that cocaine
balls and the fresh and the babies in my crack - yo yo yo
i've been frank enough and in the way i have returned it to you
cocaine - and you got it - and you got it - toupee - toupee
