

# Broken Ocean

## Bronze Radio Return

When the roof falls in, the sky begins to pour  
All the ground erodes away with rushing water  
The tide comes in and swallows up the shore

All the land disappears, we walk no longer, we walk no longer[Chorus:]

    We float upon a broken ocean  
    Where nothing ripples in its wake  
    We float but nothing stays in motion

'Til the broken ocean breaksWhen the lesson's learned and written on a page

    I'll buy the book to watch it burn and save the ashes

For soon arrives an age, a loss of innocence when we get judged in every way

    That stop the splashes, stop the splashes[Chorus:]

    We float upon a broken ocean  
    Where nothing ripples in its wake  
    We float but nothing stays in motion

    'Til the broken ocean breaks
