

# Animal City

## Unicorn Kid

La la lei

La la lei

Why do all my friends now want to be your lovers?  
Your family got bigger when they thought you were rich  
And now like maniacs they scratch your back  
Even when it doesn't itch  
I want to figure it all, I want to figure it all out  
I want to save you from  
Save you from all the pain  
Save you from the things that cause us pain  
'Cause it's an animal city  
It's a cannibal world  
So be obedient, don't argue  
Some are ready to fight you  
It's an animal city  
It's a cannibal world  
So be obedient, don't argue  
Some are ready to fight you, my love  
They believe you now have everything you wanted  
And once you have become a star, you got no right to bitch  
But someday when you fail, they'll put you on sale  
And buy you by the inch  
But you're the real deal and Real is your middle name  
You know sometimes I feel  
I gotta earn every breath you take  
Baby, never mind the rules we break  
'Cause it's an animal city  
  
It's a cannibal world  
So be obedient, don't argue  
Some are ready to bite you  
It's an animal city  
It's a cannibal world  
So be obedient, don't argue  
Some are ready to rip you right off  
With you I feel safe, there's nothing to fear from us  
Away from the fangs, the fangs of the world  
I may be a coward but you are brave  
And nothing seems so dangerous

'Cause it's an animal city  
It's a cannibal world  
So be obedient, don't argue  
Some are ready to bite you  
It's an animal city  
It's a cannibal world  
So be obedient, don't argue  
Some are ready to rip you right off  
Cannibal world  
Cannibal world  
Cannibal world  
Cannibal world  
So be obedient, don't argue  
Some are ready to bite you  
My love
