

# Loud (Defective Noise Club Mix)

[Paulina Rubio](#)

Tic, I'm a bomb, turn me on, put me in the zone  
Got my hands in the sky right where they belong  
Right on the wall, falling down, I'm about to blow  
Feelin' right, feelin' thriller, feelin' every song I don't wanna do nothing but dance tonight  
I feel the rhythm in my blood  
Hit me with the bass and please control my mind Have the DJ turn it up  
Loud loud loud la la la loud loud loud  
Don't turn it down down down  
Have the DJ turn it up  
Loud loud loud la la la loud loud loud  
Don't turn it down down down  
Have the DJ turn it up  
Loud loud loud la la la loud loud loud  
Don't turn it down down down  
Have the DJ turn it up  
Loud loud loud la la la loud loud loud  
Don't turn it down down down Sick, yes I meant, I admit I'm out of control  
Seven days of the week, yea I live alone  
Drink, you get kissed, get your fix, get your sexy on  
Right through the lights, on the beat of my favourite song I don't wanna do nothing but dance tonight  
I feel the rhythm in my blood  
Hit me with the bass and please control my mind Have the DJ turn it up  
Loud loud loud la la la loud loud loud  
Don't turn it down down down  
Have the DJ turn it up  
Loud loud loud la la la loud loud loud  
Don't turn it down down down  
Have the DJ turn it up  
Loud loud loud la la la loud loud loud  
Don't turn it down down down  
Have the DJ turn it up  
Loud loud loud la la la loud loud loud  
Don't turn it down down down Fly, flying high, through the sky  
On the beat of my favourite song  
Flying high, through the night Loud loud loud la la la loud loud loud  
Don't turn it down down down  
Loud loud loud la la la loud loud loud  
Don't turn it down down down Have the DJ turn it up  
Loud loud loud la la la loud loud loud

Don't turn it down down down  
Have the DJ turn it up  
Loud loud loud la la la loud loud loud  
Don't turn it down down down  
Have the DJ turn it up  
Loud loud loud la la la loud loud loud  
Don't turn it down down down
