Breath Away

Duffy

Childs play,
I was silly with your heart that day
I enjoyed tearing you apart
Now it's me who cries
Teenage games all I ever did was call you names
I got kicks from teasing you
Now it's me who cries
I have such regrets
It's you I can't forget
Every time I see you go by
I break down and cry
You're taking my breath away
And every time I see you with her
Oh baby it hurts
You're taking my breath away
Breath away
Now we've grown and I'm still here on my own
I'll be tender with your foolish heart
Coz still it's me who cries
Now Im old
Still i wish i had you to hold
Dont suppose you would come my way

Coz still it's me who cries
I have such regrets
It's you I can't forget
Every time I see you go by
I break down and cry
You're taking my breath away
And every time I see you with her
Oh baby it hurts
Youre taking my breath away
Breath away
I have such regrets
It's you I can't forget
Oh every time I see you go by
I break down and cry
You're taking my breath away
And every time i see you with her

Oh baby it hurts
You're taking my breath away
Breath away (x3)
You take my breath away
Breath away
Breath away
