

Back Against the Wall

Two Tongues

The first time I saw you
Back against the wall
I knew we would make it
Yeah, we could have it all I told you before boy
You know I like your style
And I ain't going nowhere
Let's breathe it out for a while Alright
Alright
Come on
Alright
Alright, come on
Alright
Come on You're all that I wanted
But you just don't care
And now that we parted
I need to feel you here The blood and the blister
Yeah, we were set to burst
I'm forever within you
You know it could be worse Come on
Alright
Come on
Alright
Alright, come on
Alright
Come on Alright
Come on
Alright, come on
Alright
Alright
Alright, come on Alright
Come on
Alright
Alright, come on Alright
Come on
Alright
Alright, come on
