Such Great Heights

The Section Quartet

In our eyes are mirror images and when
We kiss they're perfectly aligned
And I have to speculate that God himself
Did make us into corresponding shapes like
Puzzle pieces from the clay
True, it may seem like a stretch, but
It's thoughts like this that catch my troubled
Head when you're away when I am missing you to death
When you are out there on the road for
Several weeks of shows and when you scan
The radio, I hope this song will guide you home

They will see us waving from such great heights
'Come down now,' they'll say
But everything looks perfect from far away
'Come down now,' but we'll stay

I tried my best to leave this all on your machine
But the persistent beat it sounded
Thin upon listening
That frankly will not fly
You will hear
The shrillest highs and lowest lows with
The windows down when this is guiding you home

They will see us waving from such great heights
'Come down now,' they'll say
But everything looks perfect from far away
'Come down now,' but we'll stay

They will see us waving from such great heights
'Come down now,' they'll say
But everything looks perfect from far away
'Come down now,' but we'll stay

They will see us waving from such great heights
Come down now
They will see us waving from such great heights
Come down now

In our eyes are mirror images and when
We kiss they're perfectly aligned
