

Manifestation

Kataklysm

The human race revolts
Fighting a losing war
Invaded by spectral beings
Annihilation
In a sea of bloodDesert like vision
Chaotic ruins embalmed
Behold the manifest
Cataclysmic devastationNo room to man oeuvre
Symbolic ways to extinction
Inhabit the coalition of darkness
No choice but to surrenderFeel the wrath of supreme power
Where is the godlike image
That we portrayed for centuries
Put under pressure to be dissolvedSacrifice everything
We ever built
For everything we ever destroyedDesert like vision
Chaotic ruins embalmed
Behold the manifest
Cataclysmic devastation
