

# I Meant To Do My Work Today (A Day In The Country)

[Elton John](#)

I meant to do my work today  
But a brown bird sang in the apple tree  
I know that one, too ....  
And a butterfly flitted accross the field  
And all the leaves were calling me  
And the Buttercups nodded their smiling heads  
Greeting the bees who came to call  
And I asked the lizard the time of day  
As he sunned himself on a moss-grown wall  
And the wind went sighing over the land,  
Tossing the grasses to and fro,  
And a rainbow held out its shining hand  
So what could I do but laugh and go?
