

# Rain From The Skies

**Horace Andy**

Ever since you went away  
Everyday is such a cloudy day  
And I don't know if it's rain from the skies  
Tears from my eyes, fallin' on my face  
And rollin' down my cheek Since you're gone I live alone  
Always in the middle of a storm  
And I don't know if it's rain from the skies  
Tears from my eyes, fallin' on my face  
And rollin' down my cheek All I know is I love you  
And if I live forever  
I'll be loving you still  
You will always be just  
Everything to me So hurry back and bring the sun  
Let me be your one and only one  
With just one kiss stop the rain from the skies  
Tears from my eyes fallin' on my face  
And rollin' down my cheek  
Rollin' down, rollin' down, rollin' down
