

# Thank You for Your Love

## The Dramatics

Wooooah hoooo hooo wooo hooo hooo hoo hoo hoo  
Thank you baby  
I just wanna take a little time out  
Thank you baby  
Thank you for your love  
You came along and showed me life  
A man can't live by bread alone  
And you came along and taught me  
That I just can't make it on my own  
But while I thank you I thank the Lord above  
For smiling down on me and blessing me blessing me with your love baby  
Lonely was about to make me lose my mind  
But you came along just in time  
And I want to thank you baby  
Thank you for your love  
If you didn't hear me the first time I'm gonna say it again  
Thank you baby thank you for your love I wanna say it say it say it  
woooooah woooah thank you baby  
for your love  
Why I thank you  
I thank the Lord above  
For smiling down on me hey  
And blessing me blessing me with your love baby  
I love you girl I truly do  
I don't know how I'd make it without you  
I wanna thank you baby  
Thank you for your love  
I'm gonna say it again I'm gonna say it again  
Well well Thank you baby  
I wanna thank you for your love baby  
I wanna say it again I wanna say it again  
Thank you for your love
