

Six Foot Deep

Creature Feature

I Bury The Dead Yeah
Secret Place In My Head
Shovel Underneath My Bed
Caught With My Hands RedMidnight Is Creeping In
My Tightrope Is Wearing Thin
Watching The Devil Grin
Darkness, It Waits WithinAll I Ever Known
Is The Unknown
In My Haunted Home
With The Rattling Bones
In My Heart Of Stone
Where The Ghosts Roam
When The Walls Bleed
I Will Bury You Deep
I Will Bury You Deep
Six Foot Deep
Six FootWalk To The Boneyard
Wind Is Blowing So Hard
Carrying The Death Card
Mind Is Broken Into ShardsIn This Place That I Despise
Something Therein Evil Lies
Planning Out My Grim Demise
Someday We All Shall DieAll I Ever Known
Is The Unknown
In My Haunted Home
With The Rattling Bones
In My Heart Of Stone
Where The Ghosts Roam
When The Walls Bleed
I Will Bury You Deep
I Will Bury You Deep
Six Foot Deep
Six Foot
