

Hit My Heart

Benny Benassi

Hey, boy Are you gonna hit my heart?
Are you gonna leave me once again?
Baby, don't you hit my heart Are you gonna break my heart?
Are you gonna make me cry again?
Baby, don't you break my heart Hey, boy, it's not a game
You are the one to blame
My love is not your toy
You better be careful, boy You told a million lies to me
One day you say goodbye, baby
I gave you one more chance
So please tell me, baby Are you gonna hit my heart?
Are you gonna leave me once again?
Baby, don't you hit my heart Are you gonna break my heart?
Are you gonna make me cry again?
Baby, don't you break my heart
