Tonight's Moons

Swingin' Utters

Well you probably thing we're twisted
No no noAre you properly assisted?
Yeah yeah yeahA chemically ingested stumpTonight's moons have a strong pull on my armIt's like some kind of a dream
From the brain of an alien being
Diana Ross and a couple supreme
A fuckin disco dance machineSetting off the fire alarm
All the cops they started to swarm
Looky here we don't mean no harm
Tonight's goons have a strong hold on my arm
Are you thoroughly disgusted
Yeah yeah yeahYou're probably well adjusted
No no noA symmetrical enlodged throat lumpTonight's moons have a strong pull on my arm.It's like some kind of a dream
From the brain of an alien being
Diana Ross and a couple supreme
A fuckin disco dance machineSetting off the fire alarm
All the cops they started to swarm
Looky here we don't mean no harm
Tonight's goons have a strong hold on my arm
Setting off the fire alarm
All the cops they started to swarm
Looky here we don't mean no harm
Tonight's goons have a strong hold on my armhave a strong hold on my arm
