

Have Yourself a Merry Little Christmas

[Bob Dylan](#)

Have yourself a merry little Christmas
Let your heart be light
From now on
Our troubles will be out of sightHave yourself a merry little Christmas
Make the Yuletide gay
From now on
Our troubles will be miles awayHere we are as in olden days
Happy golden days of yore
Faithful friends who are dear to us
Gather near to us once moreThrough the years we all will be together
If the fates allow
Hang a shining star upon the highest bough
And have yourself a merry little Christmas nowHere we are as in olden days
Happy golden days of yore
Faithful friends who are dear to us
Gather near to us once moreThrough the years we all will be together
If the fates allow
Hang a shining star upon the highest bough
Go and have yourself a merry little Christmas now
