Wishing Away

Travis Bretzer

Go back through the recollections
my only reward
the shapes don't fit the picture
I'll try to ignorelooking through the door
looking through the door
looking through the door
all that I see
is not enough to sooth my mind
is it worth another try
I'm wasting my days
wishing away
wasting my days
wishing awaylooking through the door
looking through the door
looking through the door
all that I see
is not enough to sooth my mind
is it worth another tryI'm wasting my days
wishing away
wasting my days
wishing away
wasting my days
wishing away
wasting my days
wishing away
