Imagine

John Lennon

Imagine there is no heaven It's easy if you try No hell below us Above us only skyImagine all the people Living for todayImagine there's no countries It isn't hard to do Nothing to kill or die for And no religion, tooImagine all the people Living life in peaceYou may say I'm a dreamer But I'm not the only one I hope someday you will join us And the world will be as one Imagine no possessions I wonder if you can No need for greed or hunger A brotherhood of manImagine all the people Sharing all the worldYou, you may say I'm a dreamer But I'm not the only one I hope someday you will join us And the world will live as one
