Overcast Sky

Evenfall

I'm Walking On Your Left Side
Like A Shadow In The Rain
I Look Into The Mirror
Of Eternal DevastationPray For The Nightfall
You Feared
Touch The Dark
Where The Silence Reigns
For The Nightfall
You Feared
Touch The Dark
Where The Silence ReignsI'm Walking On Your Left Side
Like A Shadow In The Rain
I Look At The Future
Without TomorrowPray For The Nightfall
You Feared
Touch The Dark
Where The Silence Reigns
For The Nightfall
You Feared
Touch The Dark
Where The Silence Reigns
