

There Goes Another Love Song

Outlaws

Sometimes I feel like
I'm gettin' kinda low,
Thoughts that I'm thinkin'
Are the reason I know,
So I try to remember
Without talkin to myself,
Things that I said
Or maybe things that I felt about you. Sittin' in the corner
Of a crowded bar room,
People all around me
And I still feel alone.
Just when I know
I'm gonna break down and cry
Someone plays the tune
That dried the tear from my eye. There goes another love song,
Someone singin about me again.
There goes another love song,
Now I need more than a friend. Lonesome and lonely,
Far from my home.
Tryin' to get back
T'where I know I belong.
Wishin' and hopin'
I was already there.
I just heard a voice
Whispered in my ear. There goes another love song,
Someone singin' about me again.
There goes another love song,
Now I need more than a friend. There goes another love song,
Someone singin' about me again.
There goes another love song,
Now I need more than a friend.
