

Never Give Up

KeKe Wyatt

Never Give Up*

Never Give Up

Never Give Up

A Strange feeling coming over me and I just can't lie

I can't control myself

Thinking about you babe all day and night and no one else

All the love that you give to me it keeps me high and I don't wanna come down

Take me higher babe

Cause I'll never give up on this love I found

Never give up on the way you love me

Never give up on the things you've showed me

Never give up on this love I've waited all my life

Never give up on the joy you bring

Never give up baby please pick me

Never give up on this love I've waited all my life

Loving the way that you take your time when you're touching me

Makes my love come down like the river flows

Constantly

And did you know

If you ever go away what would I do?

So while you're here let me make it clear

I don't ever wanna be without you nooo

You got the keys to my heart

You got the keys to my soul

Never give up on the way you love me

Never give up on the things you've showed me

Never give up on the joy you bring

Never give up baby please pick me

Never give up on this love I've waited all my life

As long as the grass grows and water flows

I'll be right here

And when the leaves fall off the trees baby

I'll still be here

You're the only one for me and it's something I realize

Oh yeah

That living life without you

I wouldn't survive

Never give up on the way you love me

Never give up on the things you've showed me

Never give up on this love I've waited all my life
Never give up on the joy you bring
Never give up baby please pick me
Never give up on this love I've waited all my life
I love the way you love me
I love the way you kiss me
I love the way you love me
I love the way you hold me
I love
I love
I love
