

# Still Believe

## Terror

Do you feel what I feel? 'cause I feel..  
Do you see the things that I see?  
Do you hear this words that I speak?  
Do you still believe?  
Do you feel what I feel? 'cause I feel..  
Do you see the things that I see?  
Do you hear this words that I scream?  
Do you still believe?  
Do you feel what I feel?  
Am I the only one that sees?  
Won't you give it all? Lay it on the line?  
Do you know what this means?  
Do you feel what I feel? 'cause I feel..  
Do you see the things that I see?  
Do you hear this words that I scream?  
Do you still believe? Am I the only one that sees?  
Won't you give it all? Lay it on the line?  
Do you know what this means?  
Do you feel what I feel? 'cause I feel..  
Do you see the things that I see?  
Do you hear this words that I scream?  
you ? that I still believe,  
The only truth that I ever found  
All my will remains unbound,  
You're broken, I'm broken,  
And I still believe (I BELIEVE!)  
And I still believe (I BELIEVE!)  
And I still believe,  
you ? that I still believe,  
Do you feel what I feel? 'cause I feel..  
Do you see the things that I see?  
Do you hear this words that I scream?  
I gotta know, do you still believe?
