Wasted Love

LP

I didn't want to love
I was happy on my own
Wish I never had a taste of your sweet songI was rolling like a stone
Taking any road
There was something in the way you stop me coldAll the pretty words you said slipped through my fingers just like sand
Ever since that sorry day you took my handWasted love
Wasted love
Wasted all my time and all my love on youWhen times were rough
You used me up
Wasted love on youDid you ever really see?
Was it ever really me?
Why'd you keep me in a cage, you should've set me free'Cause every single time you lie the light comes searing through my pride
And if you had a heart now I know it wasn't mineWasted love
Wasted love
Wasted all my time and all my love on youWhen times were rough
You used me up
Wasted love all my love on youAll along I knew something was not right
But I was hoping I could change your mind
OhAll along no matter how I tried and tried
You kept taking, taking, taking every breath I had inside
OhWasted love
Wasted love
Wasted all my time and all my love on youWhen times were rough
You used me up
Wasted loveWasted love
Wasted love
Wasted all my time and all my love on youWhen times were rough
You used me up
Wasted all my love on youWasted all my love on you
Wasted all my love on you
