

# If You Find Her

## Future of Forestry

She won't falter easy  
And she'll be careful, she'll be coy  
But still she paints her heart  
Among the musings of a boy  
If you find her  
Tell her that I love her  
And if she hears you  
Ask her heart to come  
At the break of morning  
The day awaits her when she sleeps  
Deep inside her dreams  
Is all the beauty that she keeps  
If you find her  
Tell her that I love her  
If she hears you  
Ask her heart to come
