Mr. Brown

Satchel

(Who-oo-oo-oo is Mr Brown?)
Mr Brown is a clown who rides through town in a coffin
(Where he be found?)
In the coffin where there is
Three crows on top and two is laughing
Oh, what a confusion! Ooh, yeah, yeah!
What a botheration! Ooh, now, now!Who is Mr Brown? I wanna know now!
He is nowhere to be found
From Mandeville to Slygoville, coffin runnin' around,
Upsetting, upsetting, upsetting the town,
Asking for Mr Brown
From Mandeville to Slygoville, coffin runnin' around,
Upsetting, upsetting, upsetting the town,
Asking for Mr Brown
I wanna know who (is Mr Brown)?
Is Mr Brown controlled by remote?O-o-oh, calling duppy conqueror,
I'm the ghost-catcher!
This is your chance, oh big, big Bill bull-bucka,
Take your chance! Prove yourself! Oh, yeah!Down in parade
People runnin like a masquerade
The police make a raid,
But the - oh, yeah, yeah, yeah, yeah, yeah
The thing get fadeWhat a thing in town
Crows chauffeur-driven around,
Skankin' as if they had never known
The man they call "Mr Brown"I can't tell you where he's from now
From Mandeville to Slygoville, coffin runnin' around,
Upsetting, upsetting, upsetting the town,
Asking for Mr Brown
From Mandeville to Slygoville
