

Immigrant

[Nitin Sawhney](#)

Also heavily advertised in local newspapers and dailies
That they are encouraging for people to come down and work
And then we went to the embassy and they showed us
Kew garden pictures and pictures of the various parts of England
That it is all that beautiful and everything is just right
And thats why we just applied for the voucher
You burn my flame within your hands
You know when my destiny falls
This time has insecurity
I feel, makes me restless inside
Will you take me there
To a distant place I've never been before?
I could leave this world
I could follow you like oceans to the shore
You could take me there
Make the rivers of my mind flow to my dreams
You hold your secrets from my eyes
You see where the furthest rain falls
The day breaks over in the streams
You know where my rivers will flow
Will you take me there
To a distant place I've never been before?
I could leave this world
I could follow you like oceans to the shore
You could take me there
Make the rivers of my mind flow to my dreams
And I dream of places far from here
And I call your name to the wind
And I wish the night would take me to another world
Where no one knows a face or has a name
Will you take me there
To a distant place I've never been before?
I could leave this world
I could follow you like oceans to the shore
You could take me there
Make the rivers of my mind flow to my dreams
Make the rivers flow
Will you take me there?
Will you take me there?
Oh yeah
Take me there
Take me there, yeah
Take me there, yeah, yeah
Take me there
Will you take?
Will you take me there?
Take me there
Take me there

Take me there, yeah
Take me there, yeah, yeahTake me there
Take me there
Take me there, yeah
Take me there, yeah yeahMake the rivers flow
Make the rivers flow
Make the rivers flow
Make the rivers flowMake the rivers flow
Make the rivers flow
Make the rivers flow
